SPORTS ACTIVITIES

The bluTC active 1 is the perfect companion for your active lifestyle. Thanks to innovative bone conduction technology, you can consciously perceive ambient sounds while listening to music. Unlike regular headphones, bone conducting headphones transmit sounds through vibrations of the head and jaw.
The lightweight and ergonomic design ensures a comfortable and secure fit. No matter what activity you're engaged in, these headphones stay in place and provide maximum comfort. The sweat-resistant design ensures reliable functionality even during intense workouts or hot weather.
