Sandberg In Car Magnetic Wireless Charger 15W is a wireless phone charger for your car. It's equipped with a magnetic ring allowing you to attach it to your phone directly. This requires magnetic charge support by your smartphone, f.ex. iPhone 12/13. This way you can keep your phone securely in a fixed position while at the same time it will be charged wirelessly. The stylish aluminium charger is mounted discreetly either in the air vent or with adhesive via the included combi-holder. Supports fast charge up to 15W.
